HOME DEPARTMENT.

KING'S POLICE MEDAL.

(Police.)

New Delhi, the 1st *January* 1931.

No. F-25 VII-30-Police.—His Majesty the King-Emperor of India, has been pleased to confer the

King's Police Medal, on the following officers and men of the Indian Police establishments :—

Name of officer and rank ; and statement of services for which in particular the decoration has been conferred.

MADRAS

1. Frederick Lionel Mullaly, Deputy Commissioner, Madras City.—His officer did valuable service in the troubled conditions in Madras City owing to the civil disobedience Movement prior to the disorders of 27th April 1930. Throughout the disturbances on the evening of 27th April, his coolness, steadiness and gallantry were beyond praise, and his presence of mind and determination at a very critical moment on the shore, in turning away from a section of the mob which was rushing him and which he was then under orders to deal with and attacking another section of the mob in the midst of which Inspector Chelladurai seemed in process of being murdered and in which the Commissioner was alone, saved the lives of both the Commissioner and Mr Chelladurai.

2. Rao Bahadur Mangalore Venkatappa, Assistant Commissioner, Madras City.—This officer did valuable service throughout the troubled conditions in Madras City owing to the civil disobedience movement in April 1930. He was present on the Marina from the very commencement of the trouble on the evening of 27th April and with a very small force in his charge kept the situation well in hand until his superior officers with stronger forces arrived, showing, during this period, determination and resourcefulness. His coolness and gallantry throughout were admirable, and despite his advanced years the manner in which he threw off his physical limitations was an incentive to his men and compelled the admiration of all.

*3. Mastikam Michael Chelladurai, Inspector (offg.), Madras City.—Mr. Chelladurai took an active part in the fighting on the Beach on 27th April and the gallant manner in which he unhesitatingly obeyed an order of the Deputy Commissioner to enter a riotous meeting in defiance of the Commissioner deserves high commendation. He was stabbed in the back, and received severe injuries on the head, but he refused to be relieved from duty.

*4. Eugene Raikes Upshon, Sub-Inspector, Madras City.—Sub Inspector Upshon came to the Beach of his own motion on the evening of 27th April, behaving finely throughout the whole struggle, and constantly in the thick of it. He displayed great gallantry while acting as Despatch Rider when he was frequently under heavy stoning at close range.

*5. Thomas Browmay, Sergeant Major, Madras City.—This Sergeant-Major is in charge of the Mounted Section, which played a decisive part in the disorders consequent on the civil disobedience movement in Madras City in April. In the riot on 27th April, it is impossible to overestimate the value of the Sergeant-Major and his troop, or to write highly enough of their gallantry and discipline. They received, possibly, more punishment than any other group of Police. Had it not been for the sowar troop under this Sergeant-Major, it is safe to say that the Beach could not have been cleared without very considerable firing and bloodshed.

*6. Allen Walton, Sergeant, Madras City.

Name of officer and rank ; and statement of services for which in particular the decoration has been conferred.

MADRAS—*contd*

*7. Kalliyath Achutha Menon, Head Constable, Madras City.

*8. Vennumuth Narasimhalu Krishnaswami Nayudu, Constable, Madras City.

*9. Muhammad Latifullah Hussain, Sowar, Madras City.—The disorders engineered by the leaders of the civil disobedience movement in the City of Madras broke out on the 22nd April and, culminated in a serious disturbance on the evening of the 27th April. A dangerous situation was complicated by the advent of the Choolai Mill strikers, disappointed and exasperated at the refusal of the management to reopen the mill on the 28th. A small force of police consisting of 200 foot constables and a sowar troop under the command of the Commissioner was faced with the task of clearing the Beach of an angry and violent mob of about 10,000 persons. This force in a series of *lathi* charges and A conflict lasting nearly one hour finally succeeded in clearing the Beach in spite of a constant shower of stones from the mob. The situation was rendered difficult by the falling darkness and the wide distribution of the mob which placed small parties of police in constant danger of being cut off by mobs which greatly outnumbered them. That no resource was made to firing is in itself a tribute to the coolness and restraint of the officers and the staunchness, discipline and gallantry of their subordinates.

The second phase of the riot occurred owing to a large and more desperate section of the mob consisting of about 2,000 persons withdrawing from the Marina and the Beach and entrenching itself in the narrow entrance to Pycrafts Road. With detachments in the open spaces on either side the mob was also in addition to a frontal attack to subject the police to a heavy cross fire of missiles. In order to dislodge them firing, which was only resorted to after due warning, was inevitable. Firing was however so judiciously controlled that from first to last only seven shots were fired.

In these circumstances of unusual stress and fighting against great odds the police of all ranks displayed the utmost gallantry and restraint and from them these four have been selected for award of the Medal.

*10 Gholam Mahomed Mohsin, Sub Inspector, Madras City.—On 22nd April 1930 a hartal was called in the Madras City in connexion with the civil disobedience movement. Bands of Congress workers were about the City from the morning attempting to induce shopkeepers by threats and violence to close their shops. A large disorderly procession, mostly mill hands then on strike, started in the early morning and went through the streets of Georgetown. It was joined by many hooligans as it went. The general situation in the City was then threatening. Sub-Inspector Mohsin collected a small force of one head constable and twelve constables and by a prompt and determined *lathi* attack dispersed a mob of some 300 of the worst elements of the above procession who had broken off and were starting to attack the shops. This determined and courageous action went far to prevent the development of grave conditions, and, although two large and dangerous mobs had hereafter to be dispersed before noon when the situation was brought under complete control, the initiative, courage

and promptitude with which the Sub-Inspector handled the first serious emergency resulted in a very decided check to the spread of disorder and contributed greatly to the final result.

N.B.—The awards in the case of officers marked with an asterisk are for conspicuous gallantry falling under Regulation 6 (a) of the Regulations governing the grant of the King's Police Medal and will consequently carry the allowance mentioned in the Home Department Press Note No. F. 25-IV/30 Police, dated the 7th February 1930.

Fort St. George, January 20, 1931.

No. 6.—The following notification of the Government of India is republished :—

FINANCE DEPARTMENT.

New Delhi, the 29*th December* 1930.

No. F.-2-XVI-R.-1/30.—In exercise of the powers conferred by Rules 83 (2), 87, 43 and 44 (*d*) of the Civil Services (Classification, Control and Appeal) Rules, 1930, the Governor General in Council is pleased to make the following amendments in the Civil Pensions (Commutation) Rules, namely :—

I. For Rule 4 the following Rule shall be substituted :—

"4. On the application of any Government servant to whom Rule 3 does not apply, the sanctioning authority may, subject to the condition that the uncommuted residue of the pension shall not be less than Rs. 240 *per annum*, sanction the commutation for a lump payment of a portion, not exceeding one-half, of any pension which has been or is about to be granted to him under civil rules; provided that, in calculating the amount of the uncommuted residue, there may be added to it the uncommuted portion of any other permanent pension or pensions payable to the applicant from Indian or other Government revenues."

II. For Rule 6 the following Rule shall be substituted :—

"6. (1) On receipt of an application for commutation the sanctioning authority shall transmit to the applicant a copy of the Account Officer's certificate of lump sum payable on commutation in the event of his being reported by such medical authority as may be prescribed to be a fit subject for commutation; and shall at the same time instruct him to appear for examination before the said medical authority within three months from the date of its order, or, if he has applied for commutation in advance of the date of his retirement, within three months of that date but in no case earlier than the actual date of retirement.

This intimation shall constitute administrative sanction to commutation, but shall lapse if the medical examination does not take place within the period prescribed in the sanctioning order. The applicant may withdraw his application by written notice at any time before the medical examination takes place, but this option shall expire on his appearance before the medical authority.

Provided that, if the medical authority directs that his age for the purpose of commutation shall be assumed to be greater than his actual age, the applicant may withdraw his application within two weeks from the date on which he receives intimation of the revised sum payable on commutation, or, if this sum is already stated in the sanctioning order, within two weeks from the date on which he is informed of the finding of the medical authority.

If the applicant does not withdraw in writing his application within the period of two weeks prescribed above, he shall be assumed to have accepted the sum offered.

(2) Subject to the provision contained in clause (3) of this rule the commutation shall become absolute, that is, the title to receive the commuted portion of the pension shall cease and the title to receive the commuted value shall accrue, in the case of an unimpaired life on the date on which the medical authority signs the medical certificate; and, in the case of an impaired life, on the date of written acceptance of the commutation, or the date on which the option of withdrawing the application expires, whichever is earlier. Payment of the commuted value shall be made as expeditiously as possible, but whatever the date of actual payment, the amount paid and the effect upon the pension shall be the same as if the commuted value were paid on the date on which commutation became absolute. If the commuted portion of the pension has been drawn after the date on which the commutation became absolute, the amount drawn shall be deducted from the amount payable in commutation.

(3) If the applicant makes any statement found to be false within his knowledge or wilfully suppresses any material fact in answer to any question, written or oral, put to him in connection with his medical examination, the Local Government may cancel the sanction at any time, before payment is actually made, and such a statement or suppression may be treated as grave misconduct for the purpose of Article 351 of the Civil Service Regulations."

III. Rule 8 of the said Rules shall be omitted.

IV. For Rule 10 of the said Rules, the following Rule shall be substituted:—

"10. If the pensioner dies on or after the day following that on which commutation became absolute but before receiving the commutation value, this value shall be paid to his heirs."

2. The above amendments take effect from the date of this Notification; provided that sanctions to commutation accorded on the basis of the old rules on or after this date but before sanctioning authorities receive intimation of the new rules may stand, whether or not the commutation value has actually been disbursed.

No. 7.—The following resolution of the Government of India is republished:—

FINANCE DEPARTMENT.

New Delhi, the 20th December 1930.

No. F.-3-XVIII/30.—In connexion with the Civil Pensions (Commutation) Rules published in the Finance Department Notification No. F.-158-C.S.R./25, dated the 21st January 1926, as subsequently amended, the Governor General in Council is pleased to issue the accompanying regulations for observance in all cases in which applications for commutation of pension are made by Government servants under his administrative control or under the administrative control of a Chief Commissioner. For the purpose of rule 2 of the Civil Pensions (Commutation) Rules, if two different Governments within the meaning of Article 33-A, Civil Account Code, Volume I, are concerned, a Government servant shall be deemed to be under the administrative control of the Government to which the payment of the commuted value of his pension will be charged, and not the Government which originally sanctioned his pension. If, however, an application for commutation is made before the date on which the pension is sanctioned, the Government under which the applicant was last permanently employed shall be the Government competent to dispose of his application. These instructions supersede the rules promulgated with the Finance Department Resolution No. F. 2-XIV-RII/28, dated the 26th June 1928, as subsequently amended.

Regulations governing procedure for the commutation of pensions.

1. An application for commutation of pension should be made in Part I of Form A appended to these regulations and addressed:—

(1) if the applicant is still in service, or has retired but his pension has not yet been sanctioned, to the authority competent to sanction his pension, through the Head of the office in which he is or was employed, or, if he is or was himself the Head of the office, through the Head of his department;

(2) otherwise, to that authority through the proper Account Officer who is.—

(a) in the case of a pensioner who draws his pension in India, the Account Officer of the province in which the treasury from which the pensioner draws his pension is situated;

Note.—If the pensionary charge is adjustable in the books of a different Account Officer, the Account Officer who receives the application should transmit it forthwith to that officer.

(b) in the case of a pensioner who, being resident in a Colony having an account current with the Accountant-General, Central Revenues, draws his pension from the local treasury, the Account Officer who issued the authority for payment of the pension in the Colony.

2. The application if addressed to the authority specified in regulation 1 (1) should be transmitted forthwith to the Account Officer who is reporting on the title to pension.

3. The Account Officer should complete Part II of Form A without delay and transmit it, together with copies of the medical reports mentioned in the concluding portion of regulation 5 (ii). If they are on record in his office, to the authority competent to sanction the commutation, whether that authority is correctly named in Part I or not.

4. The authority competent to sanction commutation should thereupon record his administrative sanction in Part III of Form A, and arrange for the medical examination of the applicant at the nearest available station to that named by the applicant in Part I of the Form.

Note.—If the applicant is governed by Rule 4 of the Civil Pensions (Commutation) Rules and the Account Officer's certificate in Part II shows that the commutation taken charge falls partly on a Provincial Government, which has stipulated that it should be consulted regarding availability of funds the sanctioning authority must obtain that Government's consent before he accords administrative sanction. These Governments are Madras, Bombay, Bengal and United Provinces.

5. The sanctioning authority should then—

(i) transmit to the applicant on Form B, a certified copy of the Account Officer's certificate contained in Part II of Form A, and one copy of Form C, Part I of which is to be filled in by the applicant before his medical examination and handed to the medical authority; and

(ii) forward to the medical authority in original the completed Form A, together with a copy of Form C, and if the applicant has been granted an invalid pension or has previously commuted any portion of his pension with years added to his actual age, copies of the previous medical reports or statements of his case.

6. (i) Before any commutation administratively sanctioned becomes absolute, the applicant must be examined by the proper medical authority hereinafter prescribed

(ii) The medical authority shall be—

(a) in the case of any applicant governed by Rule 3 of the Civil Pensions (Commutation) Rules and any applicant governed by Rule 4 of those Rules who has been or is about to be granted an invalid pension—a medical board, before which the applicant must appear in person;

(b) in the case of any other applicant, unless the amount of pension to be commuted is Rs. 25 or less, either—

(1) a medical board before which the applicant must appear in person, if such a board is appointed to meet at a station reasonably near to the applicant's residence within the period prescribed by the sanctioning authority, or

(2) failing such a board, a reviewing board which shall be either the standing medical board at the headquarters of the administration or the senior medical officer of the administration and a medical officer nominated by him of status not lower than that of a Civil Surgeon

This authority shall review the medical report made on the applicant's health and expectation of life by the Civil Surgeon, District Medical Officer or Presidency Surgeon of the area in which the applicant is ordinarily resident at the time he applies for commutation and, after calling for any information that it thinks fit from the examining officer, shall pass final orders

(c) in the case of an applicant not governed by clause (a), who applies for commutation of Rs. 25 or less of his pension, the medical officer, not being of lower status than the Civil Surgeon, District Medical Officer or Presidency Surgeon, of the area in which he is ordinarily resident.

(iii) The medical authority after obtaining from the applicant a statement in Part I of Form C (which must be signed in its presence) shall subject him to a strict examination, enter the results in Part II of Form C and record its opinion as to the accuracy with which the pensioner has answered the questions prescribed in Part I regarding his medical history and habits. Lastly it shall complete the certificate contained in Part III of Form C.

(iv) In the case of an applicant who has been or is about to be granted an invalid pension, the grounds of invaliding or the statement of the medical case shall be duly considered by the certifying medical authority before the certificate (Part III of Form C) is signed.

(v) If the examination is conducted by a single medical officer, the applicant shall himself pay the medical officer's fee, but if he is originally examined by a medical board in India, he shall pay a fee of Rs. 16 into a Government treasury and make over the receipt to the Board before examination. If he is examined by a Board outside India, he shall pay to the Board such fees as may be required of him.

(vi) The ultimate medical authority prescribed in clause (ii) shall without delay forward the completed Forms A and C in original to the Account Officer who gave the certificate contained in Part II of Form A, a certified copy of the completed Form C to the sanctioning authority, and a certified copy of Part III of Form C to the applicant.

7. The Account Officer on receipt of the completed Forms A and C shall arrange forthwith for the payment of the appropriate commuted value and for the corresponding reduction of pension.

Note.—If the medical certificate prescribes that more than 5 years should be added to the applicant's actual age, the Account Officer shall forthwith inform the applicant of the named sum payable on commutation.

Fort St. George, December 18, 1930
(G.O. No. 311, Finance).

No. 8.—In exercise of the powers conferred by Fundamental Rules 74 (*a*) and 44 and in pursuance of the provisions of Fundamental Rule 5, the Governor in Council and the Governor acting with the Ministers hereby direct that the following amendments be made to the subsidiary rules and the Travelling Allowance Rules :—

(1) *The Book of Fundamental Rules and Subsidiary Rules—Annexure II, Part I*—The following shall be substituted for rule 17 :—

"An application by a non-gazetted Government servant in superior service for leave, or for an extension of leave, on medical certificate, must be accompanied by a certificate from the applicant's medical attendant. Such certificate should distinctly state the nature of the illness, its symptoms, probable cause and duration, and the period of absence from duty considered to be absolutely necessary for the restoration of the applicant's health. The authority competent to grant the leave may in its discretion either accept the certificate or secure a second medical opinion by sending the applicant for medical examination either to the District Medical Officer or to the nearest gazetted Government medical officer available. Should it decide to secure a second medical opinion it must arrange for the second medical examination to be made on the earliest possible date after the date on which the first medical opinion was given. It will be the duty of the District Medical Officer or other medical officer, as the case may be, to make an independent examination of the applicant and, on the basis of such examination, to express an opinion both as regards the facts of the illness and as regards the amount of leave required.

Note 1.—The possession of a certificate as prescribed in this rule does not in itself confer upon the Government servant concerned any right to leave.

Note 2.—The above procedure will not apply to Non-gazetted officers and subordinates of the Madras City Police. In their case the following procedure will apply :—

No leave on medical certificate or extension thereof shall be granted to non-gazetted officers and subordinates and menials of the City Police force, executive and ministerial, who are in Madras City or within 10 miles thereof at the time of application for leave or extension thereof on medical certificate, without a certificate from the Police Surgeon. Certificates issued by registered medical practitioners to applicants for such leave or extension thereof, who are at the time of application more than 10 miles away from Madras City, shall not be accepted without the countersignature of the Police Surgeon."

(2) *Madras Travelling Allowance Rules*—*Rule* 95.—For the words "but he may not draw travelling allowance for a journey to obtain the countersignature of a medical officer of Government on such a certificate" occurring in the rule the following shall be substituted :—

"The authority granting leave may, in its discretion, allow actual expenses for a journey for undergoing a second medical examination subject to the restrictions of the proviso to rule 95."

AUDIT REPORT.

Report on the audit of the accounts of the Andhra University for the year ending the 31st March 1930.

1. The University continued to maintain the six accounts mentioned below during the year. The transactions under each of the six accounts are given in detail in the statements appended hereto:—

A-I. General Account.
A-II. Examination Account.
A-III. Extension Fund Account.
A-IV. Book Sales Account.
B-I. Endowment Fund Account.
B-II. Foundation Fund Account.

A-I General Account.

2. The following items of expenditure were met from the Government grant under this account. There was no specific order of Government in support of these payments. As the provincial grant is intended only for general administrative purposes such as establishment salaries, travelling allowance and contingencies, it is desirable that specific orders of Government should be obtained to meet other items of expenditure from the Government grant:—

(1) Vr. No. 324 GI/11-1929. Annual subscription towards the maintenance of the University Bureau of the British Empire. Rs. 134-8-0.

(2) Vr. No. 318 GI/11-1929. Cost of printing 3,500 copies of Vemana lectures by Mr. Ananta Krishna Sarma paid to Messrs. K. Venkateshwar and Company. Rs. 536.

(3) Vr. No. 366 FF/3-1930. Payment made to Mr. P. Peraya Sastri for copying and comparing Saugameswarakradam. Rs. 17.

(4) Vr. No. 367 FF/3-1930. Payment to Mr. A. Jogenna Sastri for comparing Devanagari copy of Chitraprabha. Rs. 23-6-0.

(5) Vr. No. 365 FF/3-1930 Fees paid to K. Sivaramamurti Sastri for copying Chitraprabha in Devanagari characters. Rs 49-8-0.

3. The travelling allowance paid to the following delegates who attended the Indian Science Congress at Allahabad and Lahore was debited to the General Account without the specific sanction of Government.

(i) Vr. No. 422 GI/1-1930. Mr. Bh. S. V. Raghava Rao, Bangalore to Allahabad and back, Rs. 105-10-0.

(ii) Vr No. 425-GI/1-1930. Mr. Raja B. Manikam, Guntur to Lahore and back. Rs. 144-14-0.

(iii) Vr. No. 308 FF/2 1930 Mr. G. Subrahmanyam, Vizianagram to Allahabad and back. Rs. 124-8-0.

4. The travelling allowance paid in the following cases is correctly debitable to the Endowment Fund account and its debit to General Account without

specific orders of Government is therefore not admissible:—

(i) Vr. No. 254 Gl/P-1929. Travelling allowance paid to Mr. S. V. Appalacharya, scholar, maintained by the Alubaraja of Bobbili endowment, for his journey from Rajahmundry to Calcutta to make further studies in Nyaya and to undergo training in the Shastra in the Government Sanskrit College, Calcutta. Rs. 38-3-0

(ii) Vr. No. 506 Gl/3-1930. Travelling allowance paid to Mr. K. R. Subrahmanyam, Guntur District Board Fellow, for the return journey from Madras to Vizianagram after the completion of his work. Rs. 27-7-0.

8. A sum of Rs. 93-4-0 as detailed below was incurred in connexion with the Convocation of the Andhra University—Vide Vr. No. 347 Gl/11-1929.

		Rs.	A.	P.
Hire for motor lorry	..	52	0	0
Cost of petrol	.. ..	20	8	0
Coolie charges	.. ..	23	4	0
Lights ..	.. ..	2	0	0
Other charges	.. ..	10	31	0
Total	..	93	4	0

This is not properly debitable to Government grant. Attention is invited to paragraph 3 of G.O. Ms. No. 1131, Law (Education), dated the 11th June 1930, on the audit report of the Andhra University for 1926-28.

9. The entire library of the Agri-Horticultural Society was purchased for Rs. 4,000 in voucher No. 625 Gl/4-5-1929. The library is stated to have been taken charge of by Dr. T. Ekambaram of Madras on behalf of the University. Details of the books and other articles purchased were not available.

7. *Printing contract.—Agreement not taken.*—No agreement has still been taken from the printers—Vani Press, though it was replied in the Audit notes for March 1927 that necessary steps would be taken. At present the rates allowed by the Government Press to private presses for doing Government work with an addition of 10 per cent, have been adopted and payments are made to printers after the bills are scrutinised by the Superintendent, Government Press.

8. A sum of Rs. 493-4-0 as detailed below was paid to research scholar Dr. A. L. Narayan for the purchase of books, periodicals, apparatus, etc. It would be as well if the books and apparatus, which are of a permanent character are noted in the stock books maintained in the University office to watch the return of the articles by the research scholar:—

		Rs.	A.	P.
Vr. No. 465 Gl/3—30	..	60	4	5
Vr. No. 466 Gl/3—30	..	188	0	4
Vr. No. 383 FF/3—30	..	174	0	8
Vr. No. 488 (1)/3—30	..	44	15	0
Total	..	493	4	0

9. *Fee Fund Account.*—The receipts and payments at the several Government Treasuries in the Presidency, form the transactions under the fund. The fee fund balance at the close of the year according to the cash book was Rs. 3,919-2-0, while according to the figures in the books of the Accountant-General, Madras, it was Rs. 7,259 5-0. Necessary reconciliation of figures has been made and the difference is made up of nine items. The Accountant General also appears to have been addressed on the subject.

10. *Examination Account.*—A sum of Rs. 5,438 8-0 was incurred during the year on printing examination question papers. No detailed bills of costs were produced for audit. Certificates of payment alone were furnished under section 38 of Chapter XIX of the Andhra University Code. Similar charges incurred by the Madras University on printing examination question papers together with copies of the printer's bills and the accepted schedule of rates but without the names of the printers, are being subjected to the audit of the Examiner of Local Fund Accounts. Similar procedure may be followed by this University.

11. The closing balances shown in the statements relating to other funds agree with the respective Bank pass books, after allowing for uncashed cheques and unremitted revenue.

12. *Amounts outstanding in the objection books.*—The amount pending clearance in the objection books is Rs 1,648-8-0

13. The gross receipts and charges for the year were Rs. 3,55,111-1-2 and Rs. 3,43,291-7-4 respectively.

GINGELLY CROP OF 1930-31—THIRD FORECAST REPORT

[On an average of the five years ending 1928-29, the area under gingelly in the Madras Presidency has represented 12·9 per cent of the total area under gingelly in India.]

The area sown with gingelly up to the end of December 1930 is estimated at 535,100 acres as against the estimate of 538,500 acres made on the corresponding date of last year, i.e., an increase of 3 per cent.

The increase in area occurs mainly in East Godavari, West Godavari, Anantapur, Chingleput, and North Arcot. But this was partly set off by a reduction in area in Ganjam, Bellary, Salem, and Trichinopoly.

Trichinopoly is the only district that had large fresh sowings after the previous forecast.

2. The main crop has been harvested except in Trichinopoly and the South. The yield was normal except in Ganjam, Vizagapatam, Kistna, Guntur, Bellary, Nellore, and South Arcot. The yield is expected to be below normal in Trichinopoly, Tanjore, and Tinnevelly.

The seasonal factor for the Presidency works out to 97 per cent of the average. On this basis, the yield is estimated at 73,600 tons as against 71,000 tons on the corresponding date of last year.

3. The wholesale price of gingelly ranges from 13 to 18 lb. in the Circars, Bellary, Anantapur, and Nellore, 8 to 13 lb. in Kurnool, Cuddapah, Chingleput, South Arcot, Trichinopoly, and the South, and 10 to 15 lb. in Chittoor and North Arcot.

THE SUGARCANE CROP OF 1930—TIRUR—FINAL REPORT.

[On an average of the five years ending 1928–29, the area under sugarcane in the Madras Presidency has represented 3·7 per cent of the total area under sugarcane in India.]

The area planted with sugarcane up to the end of December 1930 is estimated at 111,720 acres as compared with 100,170 acres at the corresponding date of last year, or an increase of about 11·5 per cent. Last year's estimate exceeded the final figure of 98,107 acres by 2 per cent. The area in an average year is estimated at 115,240 acres.

2. The present estimate of area exceeds the second forecast by only 4,180 acres. The excess occurs mainly in the central districts.

3. The increase in area occurs in all districts outside Vizagapatam and is due to the favourable season.

4. The crop is nearing harvest. Normal yields are expected except in Kistna, Chingleput, South Arcot, Chittoor and North Arcot where the crop was affected by heavy rains. The seasonal factor for the Presidency works out at 98 per cent of the average as against 99 per cent in the previous year. On this basis, the yield is estimated at 310,710 tons of jaggery as against 283,020 tons at the corresponding date of last year, 275,440 tons in the season and crop report of last year, and an average yield of 330,360 tons.

5. The wholesale price of jaggery per candy of 500 lb is reported as Rs. 20 to 30 in Ganjam, Vizagapatam, and Bellary, Rs. 35 to 40 in Kistna, Guntur, Nellore, and South Arcot, Rs. 40 to 50 in Anantapur, Chingleput, Chittoor, North Arcot, and Trichinopoly, Rs. 30 to 60 in Kurnool and Cuddapah, and Rs. 45 to 65 in Salem, Madura and Tinnevelly.

GROUNDNUT CROP OF 1930—FOURTH OR FINAL REPORT.

[On an average of the five years ending 1928–29, the area under groundnut in the Madras Presidency has represented 57·7 per cent of the total area under groundnut in India.]

The area sown with groundnut in the Madras Presidency in 1930 is estimated at 3,416,300 acres against the estimate of 3,227,700 acres on the corresponding date of last year, which exceeded the finally recorded area of 3,209,315 acres by about 0·5 per cent.

2. The total area is greater than that of last year by about 7 per cent. This is due to good sowing rains. In the Deccan, the increase from 985,400 acres to 1,292,000 acres is conspicuous, being 31 per cent. There was, however, a reduction in area in the Carnatic and Central districts.

580,100 acres have been reported since the date of the previous October forecast, mainly in the Deccan, South Arcot, and the Central districts.

3. The harvesting of the summer and early crop of groundnut was finished by October. The harvesting of the winter or main crop is proceeding.

The crop was normal only in Ganjam, East Godavari, West Godavari, the Deccan, Ramnad, Tinnevelly, and Malabar. In the other districts, the crop was affected by heavy rains. In South Arcot, the yield is expected to be specially low, about 85 per cent of the average yield. Attack by caterpillars is reported from Salem.

The seasonal factor for the Presidency works out at 95 per cent of the average as in the previous year. On this basis, the yield is estimated at 1,045,300 tons of unshelled nuts against 1,521,980 tons in the previous year, an increase of about 6 per cent. The yield in an average year is estimated at 1,182,300 tons.

4. The wholesale price of unshelled groundnut per candy of 500 lb. is reported as Rs. 10 to 12 in Salem, Rs. 12 to 16 in Kistna, Guntur, the Deccan, Nellore, North Arcot, and Madura, Rs. 16 to 20 in Ganjam, Vizagapatam, Trichinopoly, Tanjore, and Tinnevelly, and Rs. 16 to 24 in South Arcot.

Intending bidders are requested to be punctual. In the case of suppliers who may be unable to attend the auction, sealed tenders will be accepted, provided they reach the Superintendent on or before the day and hour mentioned above, and are accompanied by the earnest money specified in the schedule. Tenders, which will only be received on printed forms to be had free of cost on application, should be superscribed "Tender for the supply of rations and miscellaneous articles to the Trichinopoly Central Jail, Trichinopoly." They will be opened at the time of auction and the offered rates considered along with the bids. The rates should be quoted in pounds and ounces per rupee for delivery at the Trichinopoly Central Jail, Trichinopoly, the quantities being specified in words as well as in figures. Samples of the articles required can be seen at the auction. Suppliers may bid or tender for all or any one of the articles mentioned in the schedule on depositing the requisite earnest money. All supplies must be up to the samples accepted by them or approved by the Superintendent.

2. Successful bidders or tenderers will be required to enter into stamped agreements with the Jail within seven days from the date of receipt of information by them that their rates have been accepted. In addition, they should, before signing such agreements, deposit a security of 10 per cent of the total value of the supplies undertaken (With the approval of the Inspector-General of Prisons, the total amount may be reduced in the case of approved contractors.) Failing compliance within the time specified, the earnest money may be confiscated, and, in the event of withdrawal, they will also be liable to pay any difference between the prices accepted and those ultimately obtained by the Jail. The earnest money received from successful bidders or tenderers will be taken towards their security deposits and those from others returned at the close of the auction.

3. The Superintendent reserves the right to accept or reject any bid or tender without assigning any reason.

4. Contracts should not be sublet.

5. Any rates accepted and contracts entered into will be subject to confirmation by the Inspector-General of Prisons, Ootacamund, whose decision shall also be final in all questions of infringement.

6 As the quantities given against each article in the schedule are only approximate, the contractors will be under an obligation to supply the entire requirements during the period of the contract, plus so much as may be needed to last for a whole month thereafter, provided, in respect of the extra quantities, that written orders are given within a fortnight of the termination of the agreement. At the same time, the Superintendent does not bind himself to receive the quantities or numbers noted in the schedule if they are not required.

7 No article is to be supplied in the Jail except on requisition signed by the Superintendent or some responsible person authorized by him in writing to do so "by order."

8. No advance of cash will on any account be made to the contractors when giving orders, nor will the Jail pay freight or other charges on consignments to be afterwards deducted from bills, but payment for articles delivered at the Jail on order will be made promptly after they have been inspected and passed. Contractors must submit to receive payment of their bills in whole rupees to which end annas forming part of the sums due on each bill will be disregarded unless they constitute a fraction equivalent to half a rupee or more when they will be treated as a whole rupee for the purpose of the account.

9 During the prevalence of plague in the vicinity of the Jail or in that of the areas from which supplies are drawn, all grain, etc., will be liable to be first exposed to the sun outside before being taken in. Also if for any other reason the Superintendent considers exposition of articles to the sun necessary.

Also to sign and return, within a week of payment by cheque, cash order, or remittance transfer receipts, all connected bills forwarded by the Superintendent for the purpose. Questions in connection with any supposed short payment may be referred to the Superintendent separately, but are not to be made an excuse for delay or refusal to sign.

11. In addition to any difference in prices that may be recoverable from contractors on account of purchase rendered necessary elsewhere by failure, neglect or refusal on their part to supply according to the terms of their agreements, a fine not exceeding Rs. 50 may be levied at the discretion of the Superintendent for each and every such case of default. For repeated infringement of the stipulations of the contract or for other justifiable reasons, he may also annul it, recovering all losses sustainable by the Jail in consequence of the annulment from the security deposited by the contractors, or other moneys due to them, and, in the event of any residue, by legal measures, if so advised.

No person will be allowed to deposit and bid jointly at the sale. The deposits of unsuccessful bidders will be returned to them at the conclusion of the sale.

4. The sales will be subject to confirmation by the Conservator of Forests, IV Circle, Salem, who does not bind himself to accept the highest or any bid.

5. Each purchaser shall, immediately after a lot is knocked down to him, sign his name at the foot of the sale list in the column provided for the purpose. Such signature shall be held as an admission on his part of having bought the lot.

6. The highest bidders after the sale shall furnish in writing their correct postal addresses.

7. Immediately after the sale each purchaser whose offer has been accepted by the Conservator of Forests, IV Circle, will be furnished with a memorandum showing the total amount due by him and the amount will be collected as follows :—

(a) The collection of 5 per cent of the purchase money calculated on the quantity of wood advertised for sale will be deferred until the actual quantity is ascertained by weighment at the time of delivery.

(b) Of the remaining 95 per cent of the purchase money, 25 per cent shall be remitted by the purchaser into any one of the Government treasuries at Vellore or Tiruppattur, or into the Imperial Bank of India, Madras or Vellore, payable to the Accountant-General, Madras, within eight days of the confirmation of the sale and the remainder less the money deposit referred to above on or before 25th March 1931. Full payment to be made before any removal of sandalwood.

(c) In every such remittance the highest bidder shall clearly specify in the chalan or receipt that the amount has been paid by a specified person on behalf of himself (the highest bidder) being the purchase amount of sandalwood at the Vellore or Tiruppattur depot as the case may be.

8. Should any purchaser fail to make the requisite payment on the due dates, the sandalwood purchased by him is liable to be resold at his risk, the earnest money deposit made by him forfeited to Government and any loss accruing by such resale recovered from him, as if it were arrears of land revenue. Should however any profit arise by such resale, the defaulter shall not be entitled to it.

9. The purchaser will be allowed a reasonable time to remove the wood he has paid for and this will be fixed by the District Forest Officer, with regard to the quantity purchased, but will in no case extend beyond the 30th April 1931 after which date demurrage on wood paid for will be charged at Rs. 10 per diem and a lien will be retained on the wood till such charge is paid. The wood will be at the purchaser's risk from the date of weighment.

10. The accepted bidders when deputing their agents to take delivery must furnish each agent with a power-of-attorney duly stamped and bearing the signature of the person so deputed. A copy of the power-of-attorney must also be sent to the District Forest Officer by post with four specimen signatures of the agent. Failing this, delivery may be refused pending verification, in which case the delay will count against the accepted bidder.

11. On presentation of the chalan to the officer in charge of the depot for payment of the value of the sandalwood purchased by each merchant the wood will be weighed as it is in the depot in the presence of the purchaser or his accredited agent by an officer of the department not lower in rank than a Forest Ranger. No further cleaning or classification of the sandalwood will be undertaken by the Forest department nor will purchasers be allowed to clean any wood previous to weighment. The classification, cleaning and weighment as determined by the Forest department must be accepted. Should any excess over the quantity paid for be found in any lot, when weighing at the time of delivery, the excess will be paid for by the purchaser at the rate at which the main lot was purchased. No wood of any particular lot shall be allowed to leave the depot until the whole lot has been weighed and paid for as stipulated above.

12. The purchaser shall bear the cost of weighment at the time of delivery.

13. No purchaser may remove any wood until he has paid for the full quantity purchased.

14. No sandalwood can be removed from the depot till a licence to remove sandalwood signed by the officer of the Forest department who weighed the wood shall have been obtained and till every piece of sandalwood that can be stamped has been stamped with the District sale hammer.

15. The officer conducting the sale shall be at liberty to stop the sale at any time or to prevent any person from bidding without assigning any reason for his action.

16. Each intending bidder, unless specially exempted by the Conservator of Forests, IV Circle, Salem, on an application made in writing at least fifteen days before the date of sale, must produce a solvency certificate signed by a responsible Revenue officer of the district in which he resides, and the District Forest Officer holding the sale may refuse to allow any bidder not so exempted to bid beyond the amount guaranteed in such certificate.

17. Any supplementary conditions that may be found necessary will be read out at the time of auction.

STATEMENT OF OBJECTS AND REASONS.

The Indian Road Development Committee have condemned the system of tolls and it is considered necessary to terminate this system not only on account of the annoyance it causes to the road-using public and especially to fast-moving traffic but to an even greater degree on account of its wastefulness as a method of collecting revenue from road-using vehicles. Any method of partial abolition of tolls presents very considerable difficulties; it is proposed therefore to abolish all tolls and to substitute vehicle taxation. In the case of motor vehicles, it is proposed to levy taxation on a provincial basis; in the case of other than motor vehicles, the existing provisions in regard to taxation in the Madras City Municipal and Madras District Municipalities Acts will remain. Section 75 (2) of the Local Boards Act as amended gives power to panchayats to levy such taxation if they so desire. As it will be inconvenient that motor vehicles should pay both a provincial and a local tax, the existing local taxation on these vehicles will be absorbed in the provincial tax.

The proceeds of the tax after deducting the expenses of collection and after compensating local bodies for the loss of revenue due to the abolition of their tolls and the removal of their right to tax motor vehicles is to be spent solely on the construction, maintenance and improvement of roads in the Presidency of Madras. Provision has been made for the compensation of local bodies in respect of the items of income mentioned above.

The Indian Road Development Committee recommended that octroi tolls might be retained where special facilities such as a bridge or a newly made road are provided and the Bill has made provision for this. The local Government alone however will be competent to impose such a toll. The inclusion in the Provincial Vehicle Tax of the road fare levied on vehicles plying for hire under section 106 of the Madras Local Boards Act and 174-A of the Madras District Municipalities Act was considered but it was decided that in view of the disparity of local conditions no standardized figure for these could be laid down. These fees therefore will remain independently of the provisions of this Bill
